

# Registration Form for 2008 Summer Hockey

The plan for this summer's program is to field at least four at the Mite/Squirt level and four teams at the PeeWee/Bantam/Midget/High School level. Ultimately, registration will determine the number of teams, as well as the number of players per team. It is anticipated that 12 games will be scheduled per team. Each player will receive a jersey that will be collected at the end of the season.

The cost for the program is anticipated to remain at \$200 per player (goalies \$100). Half of the fee (\$100) must accompany the registration form to hold your spot (goalies must pay in full). The balance will be paid at the first game. Players not registered with USA Hockey will be assessed an additional \$50 fee. The season will start June 18th and run through September 11th.

There is a limit of three goals per player per game. Three penalties in a game will result in being ejected from the game. Two game ejections will result in a game suspension, and two game suspensions will result in disqualification from the league without refund.
